

## Seavoice Training

**Seavoice Training** is an accredited Royal Yachting Association (RYA) approved training centre based in the North West of England, headed up by principal trainer Paul Harrison. Paul has over 20 years' experience in Search & Rescue operations and Distress, Urgency and Safety communications and works as a coastguard officer for the Maritime and Coastguard Agency (MCA). Seavoice training website can be found at: <http://www.seavoice-training.co.uk/>

Paul had already invested in a professional website for his company but wanted to ensure that this professionalism was carried through to his stationary and engaged Bare Face Marketing to provide the creative for Seavoice Training stationary.

### Business Cards

The Business Cards were printed on 400gsm card with a Matt Laminate for a professional and luxurious feel.

The letterheads and compliment slips were printed on 135gsm paper.
